Course Catalog

Our courses are designed for Corporate Organizations, Islamic Finance Professionals, Madrasa Students, IT/HR professionals, and Halal Economy Enthusiasts.

وَأَحَلَّ اللهُ الْبَيْعَ وَحَرَّمَ الرِّبَا

Allah has permitted trade and has forbidden interest.

Halal is very important to every Muslim, Halal must be upheld wherever we go. A hadith is narrated on the authority of Abu Hurayrah R.A., who said : ...Then he (ﷺ) mentioned [the case] of a man who, having journeyed far, is disheveled and dusty, and who spreads out his hands to the sky saying "O Lord! O Lord!," while his food is haram (unlawful), his drink is haram, his clothing is haram, and he has been nourished with haram, so how can [his supplication] be answered? [Muslim:1015]

If you don't know Halal & Haram, how would you expect to save yourself from hell !!.

“We are indebted to IFA Consultancy Limited for their contribution to our Islamic finance knowledge. The instructors were all sincere, dedicated, and knowledgeable. Through their unique way of teaching with practical examples, our IDLC colleagues could identify and distinguish Islamic finance from its conventional alternatives.

The commitment of IFA consultancy will surely take the Bangladesh Islamic finance industry towards more shariah compliant practices in the coming days, inshallah!

“The "Islamic Social Finance" course was truly enlightening. It covered a wide range of essential topics in just six classes, tailored to the needs of the modern age. We delved into areas such as the introduction to social finance, Islamic social finance, various social finance tools, and the application of Islamic social finance, among others.
